## OUR YEARS AT HARDING—

Our years at Harding have been as full of good times as the rides on a carousel. Instead of the music of a steam calliope we have had our music provided by noisy halls, football yells, and the applause for our plays. In the place of cogs and wheels to turn the carousel we have had the faculty members who at the same time have always been willing to give us another chance at the brass ring, a symbol of a complete and satisfying education.

*Snapshots*

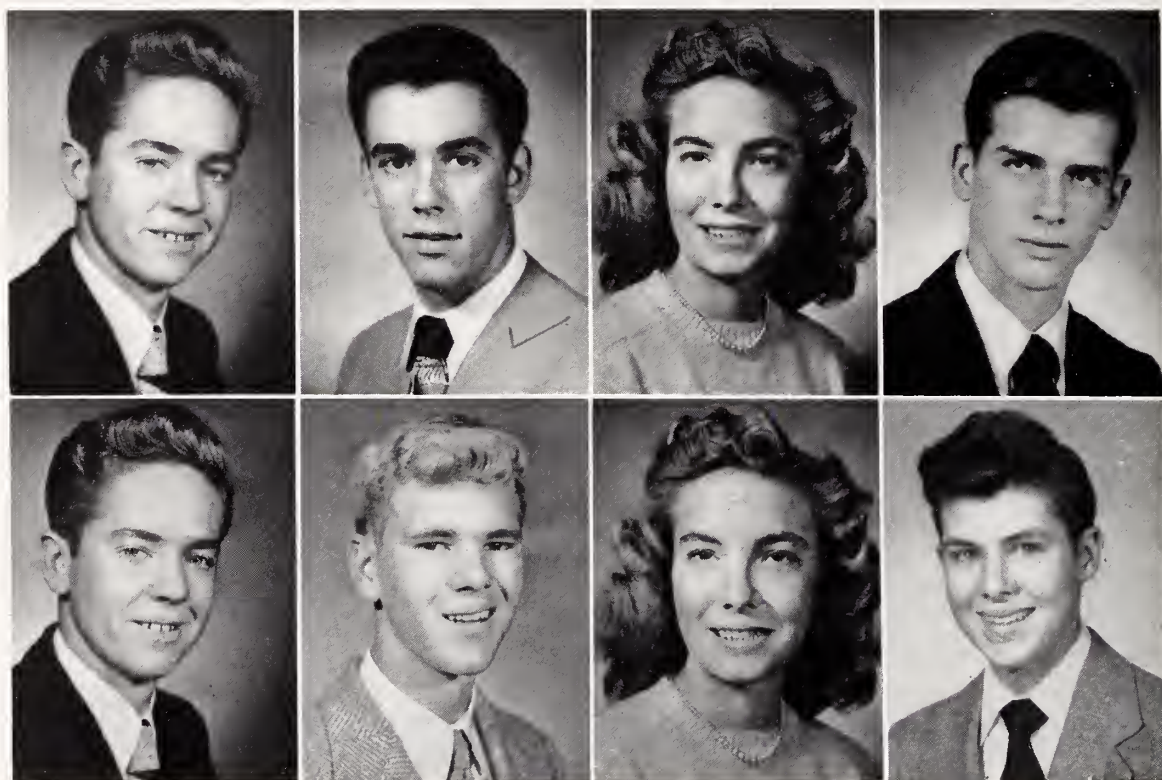

"Barry"

I'm writing this while sitting here looking at you. There's nothing I could say that I haven't said some time already. Just please believe in me. I don't say things that I don't mean. Especially to you. All I ever ask is that we be honest with each other. I'll always believe you. We can't say much for one, because we both are still young. All I ask is that you wait until I'm out of the Navy & you are through school. Until then, let's not change a bit. Cause everything will be just what it is. We'll probably disagree many times. But just remember that love is stronger than any thing I ever say.

Yours always,  
Barry

## THE ACORN 1949

THE ACORN is financed primarily by advertisements from the business concerns in Charlotte. Without their support the business staff could not have given the students of Harding High School as complete a yearbook as you have for 1949. To these advertisers we are grateful; they are indeed Harding boosters!

In order to solicit the required number of ads, students from all grades volunteered. Juniors whose parents had stores brought in contracts while Sophomores and Freshmen who even knew persons working in drug stores, pressing clubs, barber shops, filling stations, restaurants, and other places of business brought in paid space in THE ACORN advertising section. This staff of "ad-getters" labored successfully. The Seniors could not have done without their help.

Alice honey, you are really a fine little  
ole girl, and though we can't hardly get  
along together, we are doing all we can!  
Right? Some day when we both get real old  
we will probably look or think about this  
and laugh! Wonder who you and I will  
marry? Probably Sonny & Donald, but Worth  
sure is cute, and so is Neil, don't you  
think so, just like Bobby I said, love  
all of em. Well honey, let me wish you  
the very best in life — Love ya,

Hi Darling!

Well, here I go, but I really don't  
know how to begin telling you how  
swell I think you are. I've really  
loved running around with you  
Gloria, Rudy and Fuzzy! And I  
hope to continue running around  
with you all for a long time.

Let me wish you all the happiness  
in the world, cause honestly after  
all your "heartaches" you really deserve  
it. I'm wishing the best of luck  
in everything you undertake. Be Good.  
Baby — Love ya, Jackie N.
